

Clutch Parts Catalogue

Quality Components for Global Markets

A division of the Atlas Automotive Group

Clutches

Raikin Clutches are manufactured in China to the highest international standards.

Our strict quality control system ensures that you receive the very best quality every time.

With a range covering about 90% of most markets our products give you the most comprehensive application coverage of any manufacturer from China.

Of course all this is worthless unless you receive your goods on time. Our staff are committed to making sure all your deliveries arrive on time. They will keep you regularly updated on the progress of your order so that you can plan your sales and purchases.

All this is part of the best customer support system and we aim to offer you that - the best. Not only in service but also in product quality and value.

Welcome to the Raikin Clutches catalogue and the opportunity to maximise your profits by offering your customers better value without compromising on quality.
